# BELVALVE International Symposium grade

UDRUŽENJE KARDIOLOGA SRBIJE  
CARDIOLOGY SOCIETY OF SERBIA

Udruženje kardiovaskularnih hirurga Srbije  
Serbian Society for Cardiovascular Surgery

Respected Colleagues, Dear Friends,

It is a great pleasure and honor to cordially welcome you to the first Belgrade Valve International Symposium (BELVIS) which will be held on Friday- Saturday, May 31<sup>st</sup> - June 1, 2019, at the Hilton Hotel. The meeting is being jointly organized by cardiologists and cardiac surgeons of Serbia, under the auspices of the Cardiology Society of Serbia, the Serbian Society for Cardiovascular Surgery, the Medical Faculty of the University of Belgrade, Society for Cardiovascular pathology of Serbian Academy of Sciences and Art and the Ministry of Health of the Republic of Serbia.

The idea of the meeting is to join cardiologists and cardiac surgeons in discussions related to valvular heart diseases, its risk stratification, imaging and treatment. The meeting is intended to be practical, interactive and to offer interesting scientific and educational content to cardiovascular subspecialists, but also to general physicians, fellows and all others who are interested in this topic.

We do hope that BELVIS 2019 will meet your expectations and trust that you will enjoy visiting our beautiful and vivid city.

Marko Banović, cardiologist

Svetozar Putnik, cardiac surgeon
