Welcome notes

Dear Colleagues and Friends,

We wish you a warm-hearted welcome to the Second International PanAdriatic Meeting on Medical Sciences that is taking place in Novi Sad, Serbia.

It is a great privilege to be able to host you at this very important scientific event and to welcome colleagues from different countries such as Italy, Croatia, Montenegro, Belarus, Romania, Cyprus, and Serbia.

This meeting is organized under the auspices of the Provincial Secretariat of Health, the Patronage of the Cardiology Society of Serbia and the Faculty of Medicine of the University of Novi Sad and in partnership with the Italian Society of Medical Sciences (SISMED).

PanAdriatic Meeting is aimed to present the most advanced scientific information and to promote global exchange of recent achievements in research and clinical experience in the field of Cardiology, Cardiac Surgery and Cardiac Rehabilitation by reflecting the spirit of teamwork so important in medical practice through the collaboration of peers from different countries.

This years' scientific program will

focus on the rapidly evolving advancements in the field. Sessions will explore diverse topics, providing participants with an exciting forum to exchange the latest experiences and knowledge in Cardiology, Cardiac Surgery and Cardiac Rehabilitation.

We wish to thank all of you for finding the time and will to meet us in the city of Novi Sad. Novi Sad is the second largest city in Serbia, the European Youth Capital 2019, the European Capital of Culture in 2021, and one of the most important and colorful cities in the region.

We are certain that you will enjoy both the beauty of Novi Sad and the vast experience the meeting will offer you.

It is with true excitement that we are looking forward to seeing you all in Novi Sad.

Presidents

Prof. Dr. Aleksandar Redžek
Prof. Dr. Francesco Romeo
