34 Ogranak ACC-a / 34<sup>th</sup> Chapter

Poštovane kolegice i kolege,

Veliko mi je zadovoljstvo da Vas pozdravim na početku Petog kongresa 34. Ogranak Američkog koledža kardiologa za Srbiju i Republiku Srpsku, koji će se održati 28-29. februara 2020. godine, u hotelu M, Beograd, Srbija. 34. Ogranak Američkog koledža kardiologa za Srbiju i Republiku Srpsku (ACC Consortium Chapter for Serbia and Republic of Srpska) je osnovan početkom 2015. godine, a promovisan 15. marta 2015. godine u San Dijegu na 64. kongresu Američkog koledža kardiologa.

Ovaj Ogranak je formiran sa ciljem unapređenja saradnje i povezivanja Američkog koledža kardiologa sa Udruženjem kardiologa Srbije i Udruženjem kardiologa Republike Srpske. Prvi vidovi ove saradnje su bili realizovani kroz organizaciju zajedničkih sesija na XX, XXI i XXII Kongresu Udruženja kardiologa Srbije održanom na Zlatiboru 2015., 2017. i 2019. godine i IV Kongresu kardiologa Republike Srpske održanim 2016. godine u Tesliću. Organizovane su aktivnosti i na 65. Kongresu Američkog koledža kardiologa održanom u Čikagu u martu 2016. godine, 66. Kongresu Američkog koledža kardiologa održanom u Vašingtonu u martu 2017. i 67. Kongresu održanom u Orlando u martu 2018. godine i 68. Kongresu održanom u martu 2019. u New Orleansu. Organizovani su Kongresi 34. Ogranak Američkog koledža kardiologa sa temom: Praktični aspekti i komparativna analiza ACC/AHA i ESC preporuka (PRACSIS) održani u februaru 2016., 2017. i 2018. godine u Beogradu i 2019 na Jahorini, Republika Srpska. Teme Petog kongresa biće prikaz i analiza 5 novih ESC vodiča (dijabetes, predijabetes i kardiovaskularne bolesti, hronični koronarni sindrom, dislipidemije, supraventrikularne tahikardije i plućna embolija) i 2 nova ACC/AHA vodiča (primarna prevencija KVB, atrijska fibrilacija). Predavači i moderatori će biti najistaknutiji kardiolozi Udruženja kardiologa Srbije i Udruženja kardiologa Republike Srpske. Želim da se posebno zahvalim prvom guverneru Profesoru Milanu Nedeljkoviću za izvanredno vođenje 34. Ogranak Američkog koledža kardiologa za Srbiju i Republiku Srpsku od 2015-2019. godine i podršci u organizaciji ovog Kongresa.

*Duško Vulić*

S poštovanjem,

Prof. dr Duško Vulić, dopisni član ANURS Predsjednik –  
Guverner 34. Ogranak Američkog koledža kardiologa za Srbiju i Republiku Srpsku

Dear Colleagues,

*It is my great pleasure to greet you at the beginning of the Fifth Congress of the 34<sup>th</sup> American College of Cardiology Consortium Chapter of Serbia and Republic of Srpska, which will be held on February 28-29, 2020, at Hotel "M", Belgrade, Serbia. 34<sup>th</sup> Chapter of the American College of Cardiology of Serbia and the Republic of Srpska was founded in early 2015 and was promoted on March 15, 2015 in San Diego at the 64<sup>th</sup> Congress of the American College of Cardiology.*

*This Chapter was founded with the aim of improving cooperation and connection with the American College of Cardiology, Cardiology Society of Serbia, and Cardiology Society of the Republic of Srpska. The first steps of this cooperation were realized through the organization of joint sessions at the 20<sup>th</sup>, 21<sup>st</sup> Congress of the Cardiology society of Serbia that was held on Zlatibor in 2015, 2017 and 2019, and Fourth Congress of the Cardiology Society of Republic of Srpska in Teslić in 2016. We organized activities on 65<sup>th</sup> Congress of the American College of Cardiology held in Chicago in March 2016, 66<sup>th</sup> Congress of the American College of Cardiology held in Washington in March 2017, 67<sup>th</sup> Congress of the American College of Cardiology held in Orlando in March 2018 and 68<sup>th</sup> Congress of the American College of Cardiology held in New Orleans in March 2019. In addition, we organized congresses of 34<sup>th</sup> American College of Cardiology Consortium Chapter with following topic: Practical aspects and comparative analysis of ACC/AHA and ESC guidelines In Serbia and Republic of Srpska 2020 (PRACSIS 2016, 2017, 2018 and 2019 meeting) that were held in Belgrade and Jahorina. The main topic of Fifth Congress will be also dedicated to the analysis of the 5 most recent ESC clinical guidelines (diabetes, prediabetes and cardiovascular diseases, chronic coronary syndromes, dyslipidemias, supraventricular tachycardia and pulmonary embolism) and 2 ACC/AHA guidelines (primary prevention of cardiovascular diseases and atrial fibrillation). Speakers and moderators will be the most prominent cardiologists from the Cardiology Society of Serbia and the Cardiology Society of Republic of Srpska. I would specially like to express my gratitude to the first Governor of our Chapter Professor Milan Nedeljković for excellent leadership for the period 2015-2019 and support in organizing this Congress. I wish you successful meeting.*
