

Prva Konferencija Radne grupe za elektrofiziologiju Udruženja kardiologa Srbije

First Conference of the Working Group on Electrophysiology of the Cardiology Society of Serbia

6-7 June 2019, Hilton Hotel, Belgrade, Serbia

Preliminarni Program / Preliminary Program *

Dan 1/Day 1 Četvrtak/Thursday 06 June 2019

07.00h Registracija/Registration

08.00h Reč dobrodošlice / Welcome speech: ***Dejan Kojić, Belgrade, Serbia***

Predsednik Radne grupe za elektrofiziologiju Udruženja kardiologa Srbije/ President of the Working group on electrophysiology of the Cardiology Society of Serbia

08.10h Uvodna reč / Introductory speech: ***Hein Heidbuchel, Belgium***

Predsednik Evropskog udruženja za srčani ritam (EHRA) / President of the European Heart Rhythm Association (EHRA)

08.20h Poslednji trendovi i buduće smernice u elektrofiziologiji srca/ Recent trends and future directions in cardiac electrophysiology (20 min) ***Hein Heidbuchel, Belgium***

08.40h Sesija 1/Session 1

Anatomija srca za elektrofiziologe / Cardiac Anatomy for Electrophysiologists (40 min) (English)

Anatom/ Anatomist : **Siew Yen Ho, London, United Kingdom,**

Elektrofiziolog/ Electrophysiologist : **Sabine Ernst, London, United Kingdom**

09.30h Sesija 2/Session 2

EKG - praktični pristup u aritmijama/ ECG - practical approach in arrhythmias (Serbian)

Moderatori/Moderators : **Dejan Vukajlović, Šime Manola, Aleksandar Kocijančić**

1. Tahikardija širokih QRS kompleksa / Wide QRS tachycardia (10 min) **Milan Marinković, Belgrade, Serbia**
2. Tahikardija uskih QRS kompleksa / Narrow QRS tachycardia (10 min) **Vladan Kovačević, Belgrade, Serbia**
3. WPW (Pokaži mi EKG i reći ću ti gde se nalazi akcesorni put) / WPW (Show me the ECG, I will tell you where is an accessory pathway located) (10 min) **Dejan Vukajlović, Belgrade, Serbia**
4. Idiopatske VES (Pokaži mi EKG i reći ću ti odakle dolaze) / Idiopathic PVCs (Show me the ECG, I will tell you where are they come from) (10 min) **Šime Manola, Zagreb, Croatia**
5. Genetski aritmijski sindromi-uloga EKG-a / Genetic arrhythmia syndromes-role of ECG (10 min) **Ružica Jurčević, Belgrade, Serbia**

10.20-10.45h Kafe pauza/ Coffee break

10.45h Sesija 3/Session 3

Izazovi u lečenju direktnim oralnim antikoagulansima kod pacijenata sa atrijalnom fibrilacijom / Challenges in DOAC treatment in atrial fibrillation patients (Serbian/English)

Moderatori/Moderators: **Tatjana Potpara, Cristoph Bode, Nebojša Mujović, Slobodan Obradović**

1. Ključne poruke iz EHRA 2018 Praktičnog vodiča o upotrebi Non-VKA oralnih antikoagulanasa kod pacijenata sa atrijalnom fibrilacijom/Key messages from the EHRA 2018 Practical Guide on the use of Non-VKA oral anticoagulants in patient with atrial fibrillation (15 min) **Tatjana Potpara, Belgrade, Serbia**

2. Periproceduralna antikoagulantna terapija kod pacijenata planiranih za perkutanu koronarnu intervenciju / Periprocedural anticoagulation management in patients undergoing PCI (15 min) **Cristoph Bode, Freiburg, Germany**
3. Periproceduralna antikoagulantna terapija kod pacijenata planiranih za elektrokonverziju i katetersku ablaciju / Periprocedural anticoagulation management in patients undergoing electrical cardioversion and catheter ablation (15 min) **Nebojša Mujović, Belgrade, Serbia**
4. Antikoagulantna terapija u hroničnoj bubrežnoj slabosti (GFR<30ml/min) / Anticoagulation management in chronic renal disease (GFR <30 ml/min) (15 min) **Slobodan Obradović, Belgrade, Serbia**

11.50-12.20h

Simpozijum zlatnog sponzora / Golden Sponsor Symposium

12.20h – 13.05h

Simpozijum Generalnog Sponzora / General Sponsor Symposium 45 min

13.05-14.00h **RUČAK/ LUNCH**

14.00h Sesija 4/ Session 4

Kontroverze u ablaciji atrijalne fibrilacije/Atrial fibrillation ablation controversies (English)

Moderatori/Moderators: **Roland Tilz, Lazar Angelkov, Christian Sticherling**

1. Evolucija kateterske ablacije atrijalne fibrilacije / Evolution of Catheter Ablation of Atrial Fibrillation: What a Ride! (15 min) **Michael Kühne, Basel, Switzerland**
2. RF ablacija ili kriobalon ablacija 2019 / FIRE vs ICE 2019 (15 min) **Dejan Kojić, Belgrade, Serbia**
3. Kada i kako ablatirati perzistentnu i longstanding perzistentnu atrijalnu fibrilaciju?/ Should I ablate persistent and long standing persistent atrial fibrillation (When and how?) (15 min) **Lazar Angelkov, Sofia, Bulgaria**
4. Kateterska ablacija atrijalne fibrilacije u srčanoj slabosti/ Catheter ablation of atrial fibrillation in heart failure (15 min) **Nebojša Mujović, Belgrade, Serbia**
5. Da li ablatirati asimptomatsku atrijalnu fibrilaciju?/ Should I ablate asymptomatic atrial fibrillation? (15 min) **Nikola Pavlović, Zagreb, Croatia**

15.25h Sesija 5 / Session 5

Nasledni aritmijski sindromi - stratifikacija rizika / Inherited arrhythmia syndromes - risk stratification

Moderatori/Moderators: **Ružica Jurčević, Milosav Tomović, Aleksandra Grbović**

1. Brugada sindrom / Brugada syndrome (15 min), **Ružica Jurčević, Belgrade, Serbia**
2. Long QT i Short QT sindromi / Long QT and Short QT syndromes **TBD**
3. Kateholaminergična polimorfna ventrikularna tahikardija (CPVT) / Catecholaminergic polymorphic ventricular tachycardia (CPVT) (15 min), **Milosav Tomović, Belgrade, Serbia**
4. Sindrom rane repolarizacije - Idiopatska ventrikularna fibrilacija (IVF) / Early repolarisation syndrome – idiopathic ventricular fibrillation (IVF) (15 min), **Aleksandra Grbović, Belgrade, Serbia**

16.30h Sesija 6 / Session 6

SAFA sesija / SAFA Session

Moderatori/Moderators: **Tatjana Potpara, Milica Prostran, Nebojša Mujović**

Aritmije kod žena / Sex related differences in cardiac arrhythmias (Serbian)

1. Žensko srce / Female heart (10 min), **Biljana Parapid, Belgrade, Serbia**
2. Antiaritmijski lekovi kod žena / Antiarrhythmic drugs in women (10 min), **Milica Prostran, Belgrade, Serbia**
3. Kateterska ablacija aritmija kod žena / Catheter ablation of cardiac arrhythmias in women (10 min), **Nebojša Mujović, Belgrade, Serbia**
4. Atrijalna fibrilacija kod žena / Atrial fibrillation in women (10 min), **Tatjana Potpara, Belgrade, Serbia**

17.15h Sesija 7 / Session 7

Arrhythmia update (Serbian)

Moderatori/Moderators: **Velibor Ristić, Vladan Kovačević**

1. Ključne poruke iz poslednjih EHRA/ESC Smernica /Key messages from the recent EHRA/ESC Guidelines (Syncope) (15 min) **Dragan Unčanin, Banja Luka, RS (BH)**
2. Highlights from EHRA Congress and HRS Congress 2019 (15 min) **Milosav Tomović, Belgrade, Serbia**

19.30h Svečana večera/ Gala Dinner

Dan 2/Day 2 Petak/Friday 07 June 2019

08.00h Sesija 1/ Session 1

Farmakološka antiaritmijaska terapija/ Pharmacological antiarrhythmic treatment (Serbian)

Moderatori/ Moderators: **Nebojša Mujović, Tatjana Potpara**

1. Antiaritmici klase III (Amiodaron) / Class III antiarrhythmics (Amiodarone) (15 min) **Aleksandar Kocijančić, Belgrade, Serbia**
2. Antiaritmici klase Ic (Propafenon i Flekainid) / Class Ic antiarrhythmics (Propafenone and Flecainide) (15 min) **Nebojša Mujović, Belgrade, Serbia**
3. Izbor antiaritmika u lečenju atrijalne fibrilacije/ Antiarrhythmic drug selection in atrial fibrillation treatment (15 min) **Tatjana Potpara, Belgrade, Serbia**
4. Izbor antiaritmika u lečenju komorskih aritmija/ Antiarrhythmic drug selection in treatment of ventricular arrhythmias **TBD**

09.05h Sesija 2/ Session 2

Ventrikularne aritmije/ Ventricular arrhythmias (English)

Moderatori/ Moderators: **Michael Kuhne, Dejan Vukajlović**

1. Ventrikularne aritmije u koronarnoj bolesti -pogled interventnog kardiologa / Ventricular arrhythmias in coronary artery disease -interventional cardiologist view (15 min) **Miodrag Ostojić, Belgrade, Serbia**
2. Ventrikularne aritmije u koronarnoj bolesti -pogled interventnog elektrofiziologa/ Ventricular arrhythmias in coronary artery disease -interventional electrophysiologist view (role of catheter ablation) (15 min) **Roland Tilz, Lübeck, Germany**
3. Ventrikularne aritmije kod neishemijske strukturne bolesti srca/ Ventricular arrhythmias in non ischemic structural heart disease (role of catheter ablation) (15 min) **Velibor Ristić, Belgrade, Serbia**
4. Idiopatske ventrikularne aritmije / Idiopathic ventricular arrhythmias (role of catheter ablation) (15 min) **Christian Sticherling, Basel, Switzerland**
5. Aritmološka oluja/ VT storm (15 min) **Dejan Vukajlović, Belgrade, Serbia**

10.50-11.05h Kafe pauza/Coffee break

11.05-11-35h **Simpozijum Zlatnog sponzora / Golden Sponsor Symposium 30 min**

11.40h Sesija 3/Session 3

Kateterska ablacija supraventrikularnih tahikardija (How to sesija) / Catheter ablation of supraventricular tachycardias (How to session) (Serbian/English)

Moderatori/ Moderators: **Nebojša Mujović, Dejan Kojić**

1. Klasifikacija i mehanizmi supraventrikularnih tahikardija. Šta kardiolog treba da zna? / Classification and mechanisms of supraventricular tachycardias. What a cardiologist needs to know? (15 min) **Matjaž Šinkovec, Ljubljana, Slovenia**
2. Tipična slow-fast AVNRT (opšta razmatranja i uloga RF ablacije) / Typical slow-fast AVNRT (general considerations and role of RF ablation) (15 min) **Aleksandar Kocijančić, Belgrade, Serbia**
3. Atipična AVNRT i uloga fokalne krio ablacije / Atypical AVNRT and role of focal cryo ablation (15 min) **Nikola Drča, Stockholm, Sweden**
4. WPW (opšta razmatranja i kada i zašto smo neuspešni? / WPW (general considerations and when and why do we fail) (15 min) **Vladan Kovačević, Belgrade, Serbia**
5. Atrijalni flater / Atrial flutter (15 min) **Milosav Tomović, Belgrade, Serbia**
6. Fokalna atrijalna tahikardija/ Focal atrial tachycardia (15 min) **Dalibor Somer, Novi Sad, Serbia**

13.10-13.40h **Simpozijum Zlatnog Sponzora/ Golden Sponsor Symposium 30 min**

13.40-14.30h **RUČAK/LUNCH**

14.30h Sesija 4/Session 4

Mladi elektrofiziolozi / Young electrophysiologists (Case reports) (Serbian/English)

Moderatori/ Moderators: TBD

1. Ablacija atrijalnog flatera posle korekcije transpozicije velikih krvnih sudova/ Atrial flutter ablation after correction of TGA (10 min) **Milan Marinković, Belgrade, Serbia**
2. **IKVB Dedinje TBD**
3. **VMA TBD**
4. Ablacija atrijalne tahikardije preko nekoronarnog aortnog kuspisa/ Ablation of AT from NCC (10 min) **Vladan Kovačević, Belgrade, Serbia**
5. **IKVBV S. Kamenica TBD**

15.30h Sesija 5/Session 5

Nove tehnologije u interventnoj elektrofiziologiji / New technologies in interventional EP (Industry session)

Moderators: TBD

1. Industry 1 (15 min)
2. Industry 2 (15 min)
3. Industry 3 (15 min)

16.30h Završne napomene/ Closing remarks

***Moguće su promene rasporeda sesija**

***Changes in the schedule are possible**
